

## Manager, Diagnostic Imaging

Do you want to make a difference in the delivery of health services for a rapidly growing community? Have an impact as a manager in a growing and expanding hospital environment? Do you want a dynamic career opportunity and at the same time, the opportunity to enjoy the lifestyle of a 4-season recreational community? If so, we invite you to explore a role with Collingwood General and Marine Hospital. Located on the beautiful shores of Georgian Bay, CGMH provides primary and some secondary care to a local area population of 60,000 and, in peak season, to a visitor population of more than 150,000.

Reporting directly to the VP, Corporate Services & CFO/CIO, you will provide management level support to the Diagnostic Imaging department.

### **QUALIFICATIONS:**

- Graduate of an approved Medical Radiation Technology Program
- University Degree in the healthcare or allied health field
- Current registration with the CMRTO
- Minimum 5 years of clinical Diagnostic Imaging experience
- Minimum 3 years of management experience
- Experience with PACS systems implementation and administration
- Excellent communication skills
- Demonstrated excellent analytical, organizational, planning, teaching, decision making and financial management skills
- Demonstrated conflict resolution and change management skills
- Demonstrated ability to function effectively in dynamic situations
- Excellent problem solving skills

Interested applicants are invited to apply no later than **February 6, 2011**.
