

## **DIRECTOR, DIAGNOSTIC IMAGING**

### **PETERBOROUGH REGIONAL HEALTH CENTRE**

PRHC is a newly constructed acute care regional hospital located in Peterborough, Ontario. Serving a population of 350,000 in four counties, PRHC is the region's largest employer with 2,200 staff; 350 physicians have privileges, and there are more than 600 active volunteers. Global budget is in the \$200 Million range and capacity is 494 beds. For more information, please visit [prhc.on.ca](http://prhc.on.ca).

**The Director, Diagnostic Imaging reports to the Vice President Clinical & Decision Support and CFO. The Director is responsible for strategic planning, operational decision-making, change management, and resources utilization/development. DI Program budget is about \$14 million gross/\$7.8 million net, with about 70 FTEs. Two Managers report to the Director.**

PRHC's Diagnostic Imaging program is comprised of angiography and interventional radiology, CT Scan, DI, MRI, mammography, nuclear medicine, and ultrasound. This is a state-of-the-art DI program currently performing 10,000 exams per month. Modalities: General X-ray with 5 Siemens DR suites including 2 robotic suites, 2 fluoroscopy rooms, 5 AGFA CR readers, 3 GE c-arms, and 4 portable X-ray units; CT Scan with 2 sixty four slice Philips scanners; Ultrasound with 5 units open and potential to expand to 7 units; Nuclear Medicine with GE Millenium VG, Philips Brightview and new Philips Spect CT camera, BMD, Angiography/Interventional Radiography with 2 Philips FD20 suites; 12 bed prep/recovery room; MRI with 8 channel Philips Achieva; PACS is an AGFA system. DI also supports staff and ensures regulatory compliance for Cath Lab and Breast Assessment Centre.

**The candidate we are seeking will currently be in a Manager, Director or equivalent role with a minimum of five years DI leadership management experience in a community hospital or academic health science centre. A Master's degree in business, health administration or a related field is preferred. Strong leadership, innovation and stakeholder relationship skills are essential.**

If you are qualified for this role—or if you would like to recommend a candidate—then please contact ExecuCounsel Inc. by telephone or email ([projectdd91@execucounsel.com](mailto:projectdd91@execucounsel.com)) to initiate a *strictly confidential* preliminary discussion. We will acknowledge and respond to all enquiries. (Readers are respectfully requested to refrain from forwarding unsolicited resumes for other positions as these cannot be acknowledged or retained...thank you.)
